

K-Love FM Christian Radio Station is the only Christian station now available in The Dalles, OR. It has a positive influence in our community and I listen to it daily. It is the only station in The Dalles which plays positive uplifting songs 24 hours a day. Our children and adults need this kind of influence to make our community a better place. Please let them continue to play K-Love music in The Dalles, OR, and where ever K-Love has FM stations. Our nation needs them. Thank you very much, Marla Skroch
